### Terms and Conditions and Instructions

For detailed terms and conditions on SIP, including for OTM facility,

please visit our website www.dspim.com and also refer to scheme related documents.

- Investors who have already submitted an OTM form or already registered for OTM facility should not submit OTM form again as OTM registration is a one-time process only for each bank account. However, such investors if wish to add a new bank account towards OTM facility may fill the form.
- Other investors, who have not registered for OTM facility, may fill the OTM form and submit duly signed with their name mentioned.
- Mobile Number and Email Id: Unit holder(s) should mandatorily provide their mobile number and email id on the mandate
  form. Where the mobile number and email id mentioned on the mandate form differs from the ones as already existing in
  the folio, the details provided on the mandate will be updated in the folio. All future communication whatsoever would
  be, sent to the updated mobile number and email id.
- The OTM forms require three important and mandatory dates to be filled in:
  - a) Mandate Registration Date: This date is located on the top right corner of the form. This will be the initial date from which the mandate will be registered.
  - b) Period "From" Date: This is the starting date of the period for which the mandate will be applicable.
  - c) Period "To" Date: This date will be the end of the period for which the mandate is valid. The "To"\* date must be within 30 years from the Mandate Registration Date This is a strict requirement and should not be exceeded.
  - \*The mandate will be rejected if the "To" date is either beyond 30 years, left blank, or if there are any ambiguities in the date provided.
- Unit holder(s) need to provide along with the mandate form an original cancelled cheque (or a copy) with name and account number pre-printed of the bank account to be registered or bank account verification letter for registration of the mandate failing which registration may not be accepted. The Unit holder(s) cheque/ bank account details are subject to third party verification.
- With the introduction of One Time mandate (OTM) facility, the mandate registration and SIP registration through OTM facility has been delinked. There are two separate forms, 1) for onetime mandate registration and 2) for SIP Registration.
- Where a onetime mandate is already registered in a folio for a bank account, the Unit Holder(s) will have to fill only the SIP Registration Form and there is no need of a separate cheque to be given along with the SIP Registration Form.
- Transaction amount should be less than or equal to the amount as mentioned in One Time Mandate already registered or submitted, if not registered.
- Where the mandate form and the SIP registration form are submitted together, debits for the SIP may happen only on successful registration of the mandate by the Unit holder(s) bank. The Fund / AMC would present the SIP transactions without waiting for the confirmation of the successful registration from the Unit holder(s)' bank.
- In case the onetime mandate is successfully registered, new SIP registration will take upto five business days. The first debit may happen any time thereafter, based on the dates opted by the Unit holder(s).
- While the Fund and RTA reserve the right to enhance the SIP period to ensure minimum installments as per respective scheme offer documents, even if the investor has submitted the form late or requested for a period less than minimum installments, they may reject the applications for less than minimum installments.
- If start date for SIP period is not specified, SIP will be registered to start anytime from a period after five business days from the date of receipt of application based on the SIP date available / mentioned, subject to mandate being registered. If end date is not specified the SIP will be registered for 30 years from the registration date or end date of mandate, whichever is earlier.
- Under Daily SIP, the Unit Holder can invest a fixed amount into the scheme on a daily basis. Daily SIP installment shall be processed only when it is a Business Day for the scheme.
- In case of Micro SIP application without PAN, the investor/s hereby declare that they do not have any existing Micro SIPs with DSP Mutual Fund which together with the current application will result in aggregate investments exceeding Rs. 50,000 in a year.
- In case the selected date falls on a Non-Business Day or on a date which is not available in a particular month, the SIP will be processed on the immediate next business day/date.
- For SIPs through OTM, the maximum per installment amount after Top-Up shall not exceed Rs. 5 lakhs or the maximum amount mentioned in OTM form, whichever is less.
- The Top-up details cannot be modified once enrolled. In order to make any changes, the investor needs to cancel the existing SIP and enroll for a fresh SIP with Top-up option.
- DSP Mutual Fund or the AMC, its registrars and other service providers are not responsible if the registration and subsequent transaction are delayed or not effected or the investor's bank account is debited in advance or after the specific SIP date due to local holidays or any other reason.
- Investors are deemed to have read and understood the terms and conditions of OTM Facility, SIP registration through OTM
  facility, the Scheme Information Document, Statement of Additional Information, Key Information Memorandum,
  Instructions and Addenda issued from time to time of the respective Scheme(s) of DSP Mutual Fund.
