

FAQs on Unclaimed Mutual Funds

Q1. What is an Unclaimed amount?

Mutual Funds make payments to the investors on account of Redemptions, Maturity proceeds or Dividend. These payments are issued to the investors either electronically to the registered bank account or through physical cheque despatched to the registered address of the investor as per available records.

Whenever the payments issued by Mutual Funds are not credited to the bank account or realized by the investor due to reasons such as change in bank account, bank account closure, incomplete bank account in records, cheque not received or encashed by the investor, address not updated in the records etc, such amounts are treated as unclaimed amounts.

If the investors are not KYC compliant, the payments cannot be made to them. Hence, such payments are directly credited to unclaimed scheme on the date of payment.

Q2. How will investors come to know if they have any unclaimed amounts lying with Mutual Funds?

The information of unclaimed amount is made available to the investor on the websites of Asset Management Company (AMC) and Registrar & transfer Agent (RTA).

Investors can also logon to MF Central at www.mfcentral.com The investor has to log-in with user ID, password or OTP and provide required details for viewing the unclaimed amount.

Information on unpaid / unclaimed amount is also included as part of Consolidated Account Statements (CAS) sent to investors.

Mutual Funds also send periodic reminders / communications to investors informing them about unclaimed amount.

Q3. What is Mutual Fund Investment Tracing and Retrieval Assistant (MITRA) and how it can help in identifying unclaimed amounts?

MITRA is a Service Platform for investors to trace inactive as well as unclaimed mutual fund investments. An inactive folio is where no investor initiated transaction (financial or non-financial) has taken place in last 10 years but unit balance is available in the folio.

MITRA can be accessed by visiting MF Central website www.mfcentral.com and clicking on the link of "MITRA" available on the home page. Here, the investors can search for their unclaimed or inactive investment by providing input of various search parameters. If the search inputs matches with the inactive and unclaimed records, investors will be shown the name of Mutual Fund in which they have such investments. Thereafter, the

investors can contact the respective Mutual Fund or the RTA in order to claim the unclaimed amounts. The claim process and FAQs are also available on MITRA.

Q4. What is the process of claiming unclaimed amount by the investor?

The investor can download the form available on AMC's website and submit the duly signed form to the AMC/RTA's office. After verification of records and matching of signature, the unclaimed amount is paid from the Unclaimed Dividend and Redemption Scheme (UDRS) along with the applicable appreciation.
